DALLAS HYUNDAI DEALER SUPPORTS COMMUNITY REVITALIZATION

Bob Stallings Hyundai teams up with Youth World to give back to the community

Dallas, TX, August 15, 2014– Bob Stallings Hyundai is excited to learn more about the efforts in the community of South Dallas. This past weekend, the Bob Stallings Hyundai family attended the annual Youth World’s Shoe Ride. Among them, a few other companies and organizations were there to drop off shoes to the 300 kids in the Darla Shirley’s program in town. Bob Stallings Hyundai welcomes any information regarding the revitalization efforts among the community.

“When we announced that our dealership would be donating about 50 shoes to this program, over half the amount received ended up being donated by our employees directly. We all love participating in community events – especially those that benefit children.” – Lindsey Stuart, Director of Marketing & Communications for Bob Stallings Hyundai

The employees at Bob Stallings Hyundai in Dallas were very eager to find out multiple ways to help support the shoe program. Giving back to the community is an important part of Bob’s leadership values that he instills in his dealership. Growing up, Bob came from circumstances that were in many ways similar to those of the children who benefit from the blessings of You World. Bob is a father to three daughters and also had eight grandchildren. Bob hopes to have continued involvement helping Youth World provide fun and exciting ways to mentor the local children of South Dallas. He first learned about

the program when he was solicited to help build a new basketball court for the program. Through Bob's private family foundation, he was able to help develop the project. Bob, along with other dealership personnel, plan to visit the learning center on a regular basis.

"Getting to know and hang out with business men who are also minorities will be an integral part of their future success. Having a strong, professional influence from my Pastor growing up gave me the foundation for how to conduct myself later in life. It is important that we find a way to give back to these kids so that they might have us as an example." – Marcus Williams, Director of Sales Operations for Bob Stallings Hyundai.

For more information about Youth World, visit www.YouthWorld.org.

At Bob Stallings Hyundai, it is our mission to be the very best new and pre-owned car dealer in the market that we serve. We will know we have succeeded, when our customers say it is so. Our Values System is the foundation of our business. We proud that in conjunction with the Stallings Foundation, we are also proud supporters of Youth World, NTX Cares, Legacy Christian Academy, The Salvation Army, Samaritan's Purse, Christian Community Action, K-Life and other Dallas area organizations.
