## VALMARK CHEVROLET HITS GRAND SLAM FOR AREA YOUTH BASEBALL

### ValMark Chevrolet wraps up 2014 baseball season partnership with New Braunfels Little League

New Braunfels, TX, July 31, 2014– ValMark Chevrolet, one of the 13 Chevrolet dealers from the San Antonio area partnered with local youth baseball leagues for the 2014 baseball program, has concluded a successful season with New Braunfels Little League. ValMark Chevrolet provided New Braunfels Little League with equipment, a monetary contribution and an opportunity for community members to raise funds for the league via a Test Drive fundraiser.

*“We’re glad we were able to extend Chevrolet’s commitment to spreading joyful play to the members of our community,” said Chris Young, General Sales Manager for ValMark Chevrolet.*

ValMark Chevrolet partnered with the New Braunfels Little League because of the league’s proximity to the dealership. Equipment donated by ValMark Chevrolet included items such as bags, batting tees, catcher’s gear, water bottles and Chevrolet Youth Baseball T-shirts. The sponsorship also included youth clinics featuring current and former MLB/MiLB players and coaches, and instructors from Ripken Baseball and the Major League Baseball Players Alumni Association.

*“We truly enjoyed being involved with New Braunfels Little League this year,” said Young. “This partnership gave us the opportunity to support the love of the game and we are thrilled to have achieved such positive results for our community.”*

In 2014, more than 1,600 Chevrolet dealers participated in Chevy Youth Baseball. Since the program began in 2006, Chevrolet has made a positive impact on more than 3.6 million children by bringing a unique experience to their community.
